# BACKFLIP®

THE PHONE GRIP

Backflip® adds that little extra convenience, we need in our modern lives. Whether you're on the phone, writing an email or taking selfies, the phone grip always provides a secure and relaxed hold. The finger ring easily flips into a kickstand, so that you can use your phone hands-free – perfect for watching videos.

- » Universal for all smartphones
- » 3M adhesive strip and nano foil for strong hold on smooth surfaces
- » Ultra-flat, minimalistic design
- » Removes without leaving any residue
- » Available as Backflip® or as Backflip® Signature

## BACKFLIP®

Material                      ABS, silicone

## BACKFLIP® SIGNATURE

Material                      ABS, silicone

Backflip® always includes Backflip® Dot, the Vonmählen surface mount, for vertical hands-free use of your smartphone. The Dot makes daily use of your smartphone even more convenient. Mount it to the dashboard in your car for navigating or attach it to the cupboard for reading a recipe hands-free while cooking.

## BACKFLIP® DOT

Material                      ABS, silicone

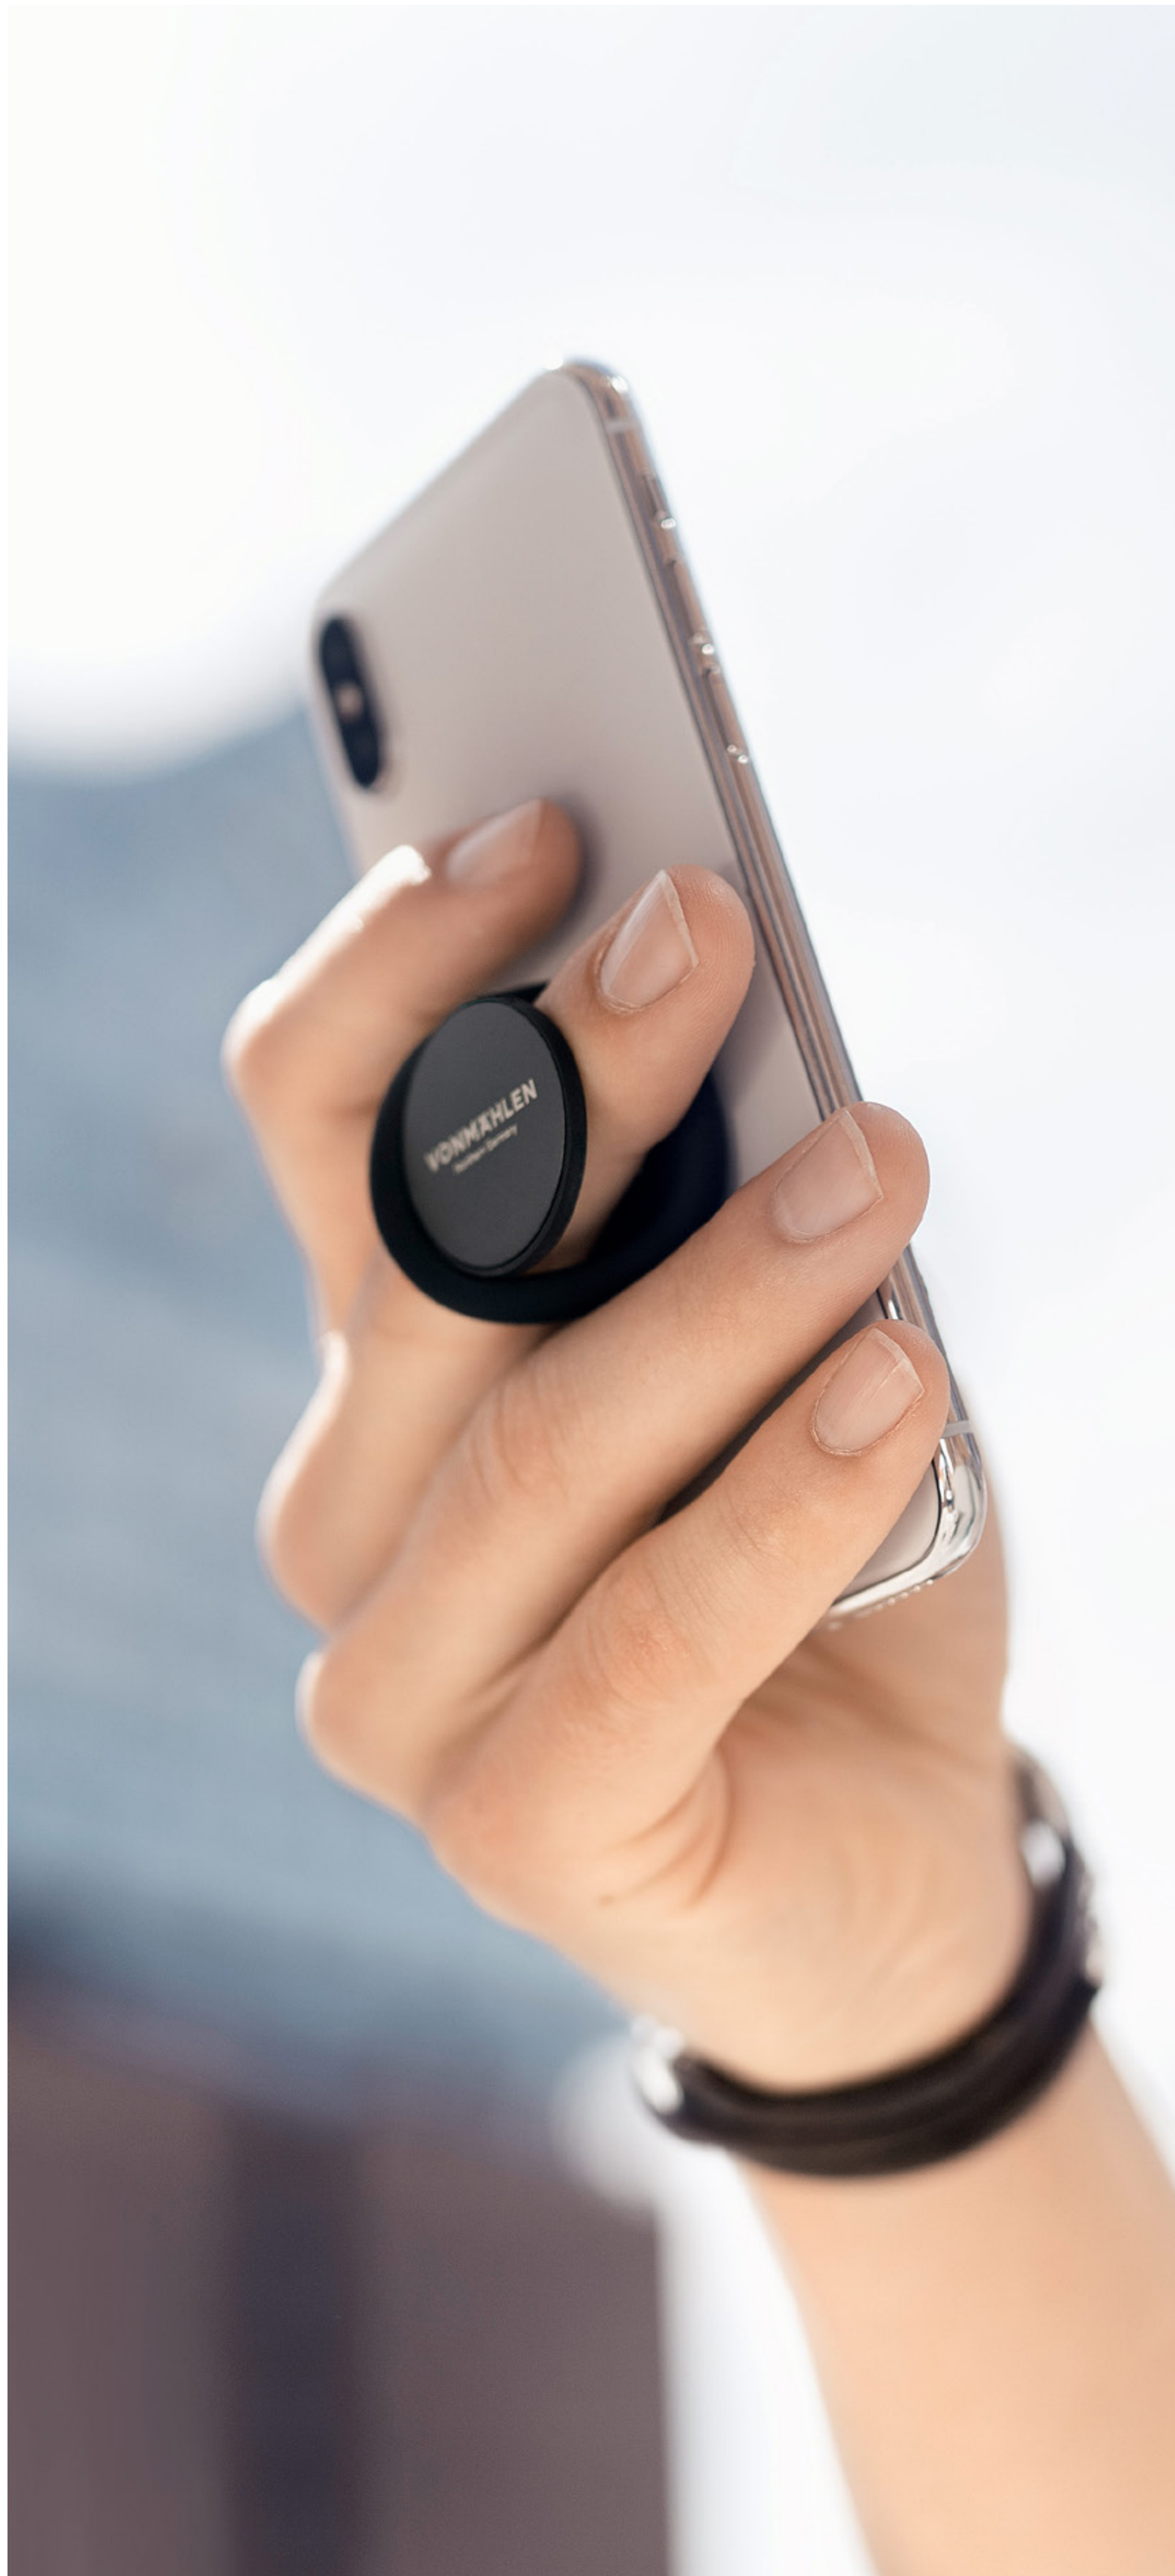

Strong hold thanks to brand adhesive strip from

We created a design that makes Backflip® more than just a phone grip. It also works as a kickstand for smartphones, letting you look at pictures and videos hands-free, at a convenient 45-degree-angle.
